

Election of parent representatives at the board meetings (« Conseils d'administration »)

International College, Lycee, « classes Prepa » and Cannes Danse School ESDC

Friday 15th October 2010

CIV Local branch

Efficiency on a national level

- For speedy replacement of absent teachers : inventory of missed classes.
(site : www.fcpe.asso.fr/ouyapacours)
- Opposition to heavy school bags : recognised as public health problem thanks to national campaigns of FPCE, weighing of school bags:
 - circular letter of the French government
 - lockers and stationary list for CIV

Specific local actions

- Creation of special lessons to prepare for the competitive examination « Sciences Po » since January 2010
- Study options forum
- Follow-up of canteen quality
- Follow-up of teacher's unreplaced absences and intervention with the regional education authority
- Go-between for the boarding students with the French administration
- Request for building works (toilets and canteen)
- Participation to meetings of the appeal board

Defence of International Sections

- Increase status of international education and the Bac International Option for better recognition by further education establishments
- Request for update of the waiting lists for competitive entry into the 6^{ème} (first year of the CIV)

Our Commitments

- Act to defend the quality of public Education service (« l'Education nationale »)
- Act in the interest of your children
- Inform you and represent you in all actions of educational life

Parents, you are going to elect **your representatives** at the board meetings («Conseils d'administration») of your establishment, where the organisation, functioning and working conditions for your child are decided.

In voting for the FCPE, you are supporting a team of non political, independent parents, deeply involved in the life of the establishment.

Don't hesitate to contact us to participate in the « conseils de classe » or any other subject.

Thanks for your support and trust
